At Mackenzie Investments You Can Build Your Career with Confidence

We have a vision and a strategy that will challenge the way business in this industry is done and help Canadians be successful in the ways that mean the most to them. As part of our team, you will do some of your best work, develop valuable skills and give back in ways that make a difference. We are proud to be recognized as one of Canada's Top Employers by Mediacorp Canada Inc. for empowering our employees with the tools to thrive while working remotely, and for placing wellness front and centre.

Join a team focused on continuous learning, shared knowledge, and real impact. You'll thrive in our collaborative environment while receiving feedback to refine your skills. We offer a hybrid work model where applicable.

Mackenzie Investments is a diverse workplace committed to doing business inclusively. We encourage applications from all qualified candidates across the full spectrum of backgrounds, identities, and lived experiences.

Position:

We are currently an intern for the Summer 2026 term. Candidates that are in an undergraduate program that will be returning to school after the internship are eligible to apply.

The Ivy team has a track record that dates back to 1992. The Ivy investment philosophy is well known for its focus on careful growth of capital through market cycles, helping clients achieve their financial goals while providing a smoother path to long-term returns. This is done through a focus on owning high quality companies that have strong competitive advantages and corporate cultures. The Ivy investment process involves rigorous fundamental research and analysis, and a mindset that prioritizes intellectual curiosity and intellectual honesty.

We are looking for an individual that is passionate about investing, identifies with Ivy's investment style and philosophy, is a strong team player, and is eager to learn and develop. The intern will have the opportunity to work with several portfolio managers on the team on a variety of company and industry-specific research projects.

Responsibilities:

- Assist with various company and industry-specific research projects. This would entail research on individual companies, financial modeling, industry analysis, etc.
- Undertake other relevant thematic research projects that may be relevant to the team's holdings or markets in general
- Engage in other projects related to the team's portfolios as required.

Requirements:

- Currently enrolled in an undergraduate program and returning to school following the Summer 2026 term. While we welcome students in all years and disciplines, preference will be given to those returning for their fourth year and in a business or finance-related field of study.
- Ability to work well independently and in a team environment.
- Ability to take initiative, ask the right questions, accept and implement feedback.
- Strong time management and organizational skills; ability to juggle multiple projects.

To apply, please include a resume and transcripts (full unofficial version) by September 21, 2025, at 11:59 pm EST.

IGM is a diverse workplace committed to doing business inclusively - this starts with having a representative workforce! We encourage applications from all qualified candidates that represent the diversity present across Canada – including racialized persons, women, Indigenous persons, persons with disabilities, 2SLGBTQIA+ community, gender diverse and neurodiverse individuals, as well as all who may contribute to the further diversification of ideas.

Mackenzie Investments is an accessible employer committed to providing a barrier-free recruitment experience. If you require accommodation or this information in an alternate format at any stage of the recruitment process, please reach out to the Talent Acquisition team who will work with you to meet your needs.

We thank all applicants for their interest in Mackenzie Investments; however, only those candidates selected for an interview will be contacted.
