IGM Financial Inc. is a leading wealth and asset management company in Canada, managing approximately \$271 billion in assets. It offers financial planning and investment services to over two million Canadians through IG Wealth Management and Mackenzie Investments.

Founded in 1926, IG Wealth Management is a key part of IGM's business model, providing comprehensive wealth management services to Canadian financial advisors and their clients.

With a vision to inspire financial confidence, IG Wealth Management is recognized as one of Manitoba's Top Employers, Canada's Top 100 Employers, and Best Diversity Employers, aiming to innovate the industry and support Canadians in achieving their financial goals.

Join our team to engage in continuous learning and skill development in a supportive environment.

 Experience the best of both worlds with our hybrid work environment, where you spend three days a week in the office, connecting, collaborating, and enjoying quality time with your amazing colleagues! Our Values: Be better; we strive for improvement in everything we do. Be accountable; we foster clarity and are empowered to act responsibly. Be a team; we are united to drive collective impact to achieve our goals.

Position

The successful candidate will join the Reporting & Analytics team in the Business Management Office. We measure technology service performance and user experience through data-driven insights.

Our team designs reporting frameworks and processes that make analytics effective and reliable. We identify key data points, work with Technology teams to turn them into actionable insights and present these insights in structured decks that tell compelling stories and support informed decisions.

This internship offers hands-on experience in data analysis and reporting. You'll collect and analyze data, build dashboards, automate processes, create presentation decks, and prepare supporting insights while learning how to turn raw data into meaningful stories in collaboration with data owners and presenters.

Responsibilities:

- Help design and build analytics solutions
- Create and prepare impactful executive PowerPoint presentations
- Support recurring operational reporting (daily, weekly, monthly, quarterly)
- Document processes and identify opportunities to automate recurring tasks
- Modernize and maintain team SharePoint sites

Requirements:

- Experience with business intelligence tools (Tableau, Power BI, Looker)
- Familiarity with data management platforms (SAP HANA)
- Proficiency in Microsoft Office 365 (PowerPoint, Excel, Power Automate, Teams, OneNote)
- Strong verbal and written communication skills
- Understanding of ITIL/ITSM processes and IT Service Management tools (ServiceNow) is an asset

- Experience creating and managing SharePoint sites is an asset

To apply, please include a resume and transcripts (full unofficial version) by February 8, 2026, at 11:59 pm CST.

The expected annual base salary range (prorated for the term) for this role is (44,000 - 47,000), which is determined based on year of study, IGM program, geographic location and candidate's skills, knowledge and experience. In addition to base salary, this role is eligible for paid time off.

IGM is a diverse workplace committed to doing business inclusively - this starts with having a representative workforce! We encourage applications from all qualified candidates that represent the diversity present across Canada – including racialized persons, women, Indigenous persons, persons with disabilities, 2SLGBTQIA+ community, gender diverse and neurodiverse individuals, as well as all who may contribute to the further diversification of ideas.

IG is an accessible employer committed to providing a barrier-free recruitment experience. If you require an accommodation or this information in an alternate format at any stage of the recruitment process, please reach out to the Talent Acquisition team who will work with you to meet your needs.

We thank all applicants for their interest in IG Wealth Management; however, only those candidates selected for an interview will be contacted.
