

Summer Intern – Architecture Governance
IGM Financial, IG Wealth Management – Winnipeg Office
[Job Link](#)

IGM Financial Inc. is a leading wealth and asset management company in Canada, managing approximately \$271 billion in assets. It offers financial planning and investment services to over two million Canadians through IG Wealth Management and Mackenzie Investments.

Founded in 1926, IG Wealth Management is a key part of IGM's business model, providing comprehensive wealth management services to Canadian financial advisors and their clients.

With a vision to inspire financial confidence, IG Wealth Management is recognized as one of Manitoba's Top Employers, Canada's Top 100 Employers, and Best Diversity Employers, aiming to innovate the industry and support Canadians in achieving their financial goals.

Join our team to engage in continuous learning and skill development in a supportive environment. Experience the best of both worlds with our hybrid work environment, where you spend three days a week in the office, connecting, collaborating, and enjoying quality time with your amazing colleagues! Our Values: Be better; we strive for improvement in everything we do. Be accountable; we foster clarity and are empowered to act responsibly. Be a team; we are united to drive collective impact to achieve our goals.

Position

We are currently hiring an intern looking for a summer term position, May to August 2026, in our Winnipeg Office. Candidates must be enrolled in an undergraduate program and plan to return to school after completing the internship to be eligible to apply.

The Architecture Governance team coordinates and facilitates federated Enterprise Architecture at IGM. The team are key members of the Architecture Community of Practice at IGM ensuring architecture principles, patterns and standards are used to enable modern, simple, digitized processes in support of changing business needs and organizational strategy. The Architects and Analysts in the Architecture Community of Practice are distributed across technology teams, providing direction, traceability and transparency in the delivery and operations of technology platforms and solutions that support IGM's business strategy.

As an intern, you will work with various members of the team and will have an opportunity to contribute to the Community of Practice.

Responsibilities:

- Investigate and analyze systems and data to support problem solving
- Gain both business and technical knowledge required to complete assigned tasks and define/implement solutions that effectivity support technology teams
- Participate in production and coordination of communication activities within the Architecture Community of Practice and the Delivery Organization

**Requirements:**

- Enrolled in a business or computer science program
- Ability to work independently and within a team environment
- Ability to investigate, analyze, interpret data and solve problems
- Ability to establish and maintain effective partnerships and relationships
- Excellent communication skills (oral, written, presentation)
- Positive attitude, adaptability and a willingness to take on new challenges
- Knowledge of Productivity and Service Management platforms
- Knowledge of Automation, AI, and Reporting and Analytics tools and processes
- Knowledge of cloud services (Azure, GCP, AWS) is an advantage

To apply, please include a resume and transcripts (full unofficial version) by February 8, 2026, at 11:59 pm CST.

The expected annual base salary range (prorated for the term) for this role is (44,000 - 47,000), which is determined based on year of study, IGM program, geographic location and candidate's skills, knowledge and experience. In addition to base salary, this role is eligible for paid time off.

IGM is a diverse workplace committed to doing business inclusively - this starts with having a representative workforce! We encourage applications from all qualified candidates that represent the diversity present across Canada – including racialized persons, women, Indigenous persons, persons with disabilities, 2SLGBTQIA+ community, gender diverse and neurodiverse individuals, as well as all who may contribute to the further diversification of ideas.

IG is an accessible employer committed to providing barrier-free recruitment experience. If you require accommodation or this information in an alternate format at any stage of the recruitment process, please reach out to the Talent Acquisition team who will work with you to meet your needs.

We thank all applicants for their interest in IG Wealth Management; however, only those candidates selected for an interview will be contacted.
