IGM Financial, IG Wealth Management – Winnipeg Office**

[Job Link](#)

IGM Financial Inc. is a leading wealth and asset management company in Canada, managing approximately \$271 billion in assets. It offers financial planning and investment services to over two million Canadians through IG Wealth Management and Mackenzie Investments.

Founded in 1926, IG Wealth Management is a key part of IGM's business model, providing comprehensive wealth management services to Canadian financial advisors and their clients.

With a vision to inspire financial confidence, IG Wealth Management is recognized as one of Manitoba's Top Employers, Canada's Top 100 Employers, and Best Diversity Employers, aiming to innovate the industry and support Canadians in achieving their financial goals.

Join our team to engage in continuous learning and skill development in a supportive environment. Experience the best of both worlds with our hybrid work environment, where you spend three days a week in the office, connecting, collaborating, and enjoying quality time with your amazing colleagues! Our Values: Be better; we strive for improvement in everything we do. Be accountable; we foster clarity and are empowered to act responsibly. Be a team; we are united to drive collective impact to achieve our goals.

**Position:**

We are currently hiring an intern looking for a summer term position, May till August 2026 in our Winnipeg Office. Candidates must be enrolled in an undergraduate program and plan to return to school after completing the internship to be eligible to apply.

The Corporate Solutions Technology team at IGM is a highly collaborative group with experience in and passion for delivering innovative solutions for our clients, advisors, and employees using the latest technology and insights. The Corporate Solutions Technology Team deliver solutions for several business areas including Client Services, Finance, Human Resources, Consultant Administration, Investment Management, and Fund Services.

As a Systems Analyst Intern, you will work with the members of our teams and will have an opportunity to contribute to the delivery of technology solutions for our business partners.

**Responsibilities:**

- Gain both business and technical knowledge, that is required to compete assigned tasks and define/implement solutions that meet business requirements
- Investigate system issues to help determine the cause and solution options
- Liaise with business stakeholders to understand their business objectives and solution requirements
- Collaborate with other technology team members to understand problems and formulate solutions
- Author system documentation to support solution development, and testing

- Author instructional documentation to improve the team's internal processes
- Hands-on configuration of systems may be required

**Requirements:**

- Enrolled in a business or technology post-secondary program
- Ability to work independently and within a team environment
- Ability to analyze, investigate and solve problems
- Ability to analyze and interpret data
- Capability to establish and maintain effective partnerships and relationships
- Excellent communication skills (oral, written, presentation)
- Positive attitude, keeping a constant watch on how to do things better
- Adaptability and a willingness to take on new challenges
- Knowledge of tools and technologies (e.g. Microsoft Office Suite)

**To apply, please include a resume and transcripts (full unofficial version) by February 8, 2026, at 11:59 pm CST.**

The expected annual base salary range (prorated for the term) for this role is (44,000 - 47,000), which is determined based on year of study, IGM program, geographic location and candidate's skills, knowledge and experience. In addition to base salary, this role is eligible for paid time off.

IGM is a diverse workplace committed to doing business inclusively - this starts with having a representative workforce! We encourage applications from all qualified candidates that represent the diversity present across Canada – including racialized persons, women, Indigenous persons, persons with disabilities, 2SLGBTQIA+ community, gender diverse and neurodiverse individuals, as well as all who may contribute to the further diversification of ideas.

IG is an accessible employer committed to providing a barrier-free recruitment experience. If you require an accommodation or this information in an alternate format at any stage of the recruitment process, please reach out to the Talent Acquisition team who will work with you to meet your needs.

We thank all applicants for their interest in IG Wealth Management; however, only those candidates selected for an interview will be contacted.
