IGM Financial Inc. is a leading wealth and asset management company in Canada, managing approximately \$271 billion in assets. It offers financial planning and investment services to over two million Canadians through IG Wealth Management and Mackenzie Investments.

Founded in 1926, IG Wealth Management is a key part of IGM's business model, providing comprehensive wealth management services to Canadian financial advisors and their clients.

With a vision to inspire financial confidence, IG Wealth Management is recognized as one of Manitoba's Top Employers, Canada's Top 100 Employers, and Best Diversity Employers, aiming to innovate the industry and support Canadians in achieving their financial goals.

Join our team to engage in continuous learning and skill development in a supportive environment. Experience the best of both worlds with our hybrid work environment, where you spend three days a week in the office, connecting, collaborating, and enjoying quality time with your amazing colleagues! Our Values: Be better; we strive for improvement in everything we do. Be accountable; we foster clarity and are empowered to act responsibly. Be a team; we are united to drive collective impact to achieve our goals.

Position:

We are currently hiring an intern looking for a summer term position, May to August 2026. Candidates must be in an undergraduate or graduate program that will be returning to school after the internship to be eligible to apply.

Located in our Toronto or Winnipeg office, the IT Risk team is critical part of IG Wealth Management / Mackenzie Investments (IGM Financial). Reporting to the Director of Cybersecurity Services, the Intern candidate's core responsibilities will include:

- Primary focus will be on ad-hoc projects or support of organizational projects in-flight
- Create documentation (how-to guides, communications, procedures, etc.)
- Analysis of documents (vendor and internal), datasets, logs, etc.
- Write threat intelligence briefs based on security events disclosures in the news media, and research impact of newly discovered information security publications

The following qualifications are required of the successful candidate:

- Enrolled in a post-secondary education program in a relevant technology discipline or designation/certification, or bring transferable skills and general knowledge of technology

- Excellent written and verbal communication skills with experience preparing and delivering presentations with impact
- Proactive and self-motivated with strong attention to detail, problem solving, prioritization and organizational abilities
- Demonstrable experience with MS Excel (pivot tables, vlookup, advanced functionality), and PowerPoint
- Passion and interest in Technology, IT Risk, and Cybersecurity preferred
- Proven collaboration and facilitation skills with cross-functional teams

To apply, please include a cover letter, resume and transcripts (full unofficial version) by February 8, 2026, at 11:59 pm EST.

The expected annual base salary range (prorated for the term) for this role is \$44,000 - \$47,000, which is determined based on year of study, IGM program, geographic location and candidate's skills, knowledge and experience. In addition to base salary, this role is eligible for paid time off.

IGM is a diverse workplace committed to doing business inclusively - this starts with having a representative workforce! We encourage applications from all qualified candidates that represent the diversity present across Canada – including racialized persons, women, Indigenous persons, persons with disabilities, 2SLGBTQIA+ community, gender diverse and neurodiverse individuals, as well as all who may contribute to the further diversification of ideas.

IG is an accessible employer committed to providing a barrier-free recruitment experience. If you require an accommodation or this information in an alternate format at any stage of the recruitment process, please reach out to the Talent Acquisition team who will work with you to meet your needs.

How to Apply: Interested candidates are invited to submit their resume and a cover letter detailing their qualifications and experience to <https://www.ig.ca/en/careers>

We thank all applicants for their interest in IG Wealth Management; however, only those candidates selected for an interview will be contacted.
