

**Summer Intern – Investment Management - Resources  
IGM Financial, Mackenzie Investments – Toronto Office**

[Job Link](#)

IGM Financial Inc. is a leading wealth and asset management company in Canada, managing approximately \$271 billion in assets. It offers financial planning and investment services to over two million Canadians through IG Wealth Management and Mackenzie Investments.

Mackenzie Investments, founded in 1967, is a key part of IGM's business model, serving as a comprehensive asset-management partner for Canadian financial advisors and their clients.

**At Mackenzie Investments You Can Build Your Career with Confidence.** We are proud to be recognized as one of Canada's Top 100 Employers for the fourth consecutive years and one of Canada's Best Diversity Employers. Our vision and strategy aim to innovate the industry and support Canadians in achieving their financial goals.

Join our team to engage in continuous learning and skill development in a supportive environment. Experience the best of both worlds with our hybrid work environment, where you spend three days a week in the office, connecting, collaborating, and enjoying quality time with your amazing colleagues! Our Values: Be better; we strive for improvement in everything we do. Be accountable; we foster clarity and are empowered to act responsibly. Be a team; we are united to drive collective impact to achieve our goals.

**Position:**

Mackenzie Investments is looking to add an Intern Analyst to its Resource team in the Investment Management department over the summer term of 2026 (May – August). Reporting to the Senior Vice President, Portfolio Manager and Head of Team, the ideal candidates are passionate about economics, environment and sustainability, are innovative, intellectually rigorous, curious, productive, and have the highest standard of honesty and integrity. The successful candidate will gain valuable knowledge and skills by being part of a team that has expertise in the diversified resource sector.

**Responsibilities:**

- Establish measurement standards (quantitative and qualitative) of sustainable development for our natural resources' investment universe.
- Research and document investment thematic projects

**Requirements:**

- Completed a bachelor's degree in science or engineering and is currently enrolled in a master's degree in science, Business, Economics or Renewable Energy studies
- Passion for the energy transition
- Basic understanding of financial markets would be an asset
- Functional knowledge of MS Office

- Ability to work collaboratively

**To apply, please include a resume and transcripts (full unofficial version) by January 25, 2026, at 11:59 pm EST.**

The expected annual base salary range (prorated for the term) for this role is **\$68,250 and \$78,000** which is determined based on year of study, IGM program, geographic location and candidate's skills, knowledge and experience. In addition to base salary, this role is eligible for paid time off.

IGM is a diverse workplace committed to doing business inclusively - this starts with having a representative workforce! We encourage applications from all qualified candidates that represent the diversity present across Canada – including racialized persons, women, Indigenous persons, persons with disabilities, 2SLGBTQIA+ community, gender diverse and neurodiverse individuals, as well as all who may contribute to the further diversification of ideas.

Mackenzie Investments is an accessible employer committed to providing barrier-free recruitment experience. If you require accommodation or this information in an alternate format at any stage of the recruitment process, please reach out to the Talent Acquisition team who will work with you to meet your needs.

**How to Apply:** Interested candidates are invited to submit their resume and a cover letter detailing their qualifications and experience to <https://www.mackenzieinvestments.com/en/careers>.

We thank all applicants for their interest in Mackenzie Investments; however, only those candidates selected for an interview will be contacted.
