

Intern – Quality Management (Summer 2026)
IG Wealth Management, IGM Financial – Winnipeg Office

[Job Link](#)

IGM Financial Inc. is a leading wealth and asset management company in Canada, managing approximately \$271 billion in assets. It offers financial planning and investment services to over two million Canadians through IG Wealth Management and Mackenzie Investments.

Founded in 1926, IG Wealth Management is a key part of IGM's business model, providing comprehensive wealth management services to Canadian financial advisors and their clients.

With a vision to inspire financial confidence, IG Wealth Management is recognized as one of Manitoba's Top Employers, Canada's Top 100 Employers, and Best Diversity Employers, aiming to innovate the industry and support Canadians in achieving their financial goals.

Join our team to engage in continuous learning and skill development in a supportive environment. Experience the best of both worlds with our hybrid work environment, where you spend three days a week in the office, connecting, collaborating, and enjoying quality time with your amazing colleagues! Our Values: Be better; we strive for improvement in everything we do. Be accountable; we foster clarity and are empowered to act responsibly. Be a team; we are united to drive collective impact to achieve our goals.

Position

We are currently hiring an intern looking for a summer term position, May to August 2026 in our Winnipeg office. Candidates must be enrolled in an undergraduate program and plan to return to school after completing the internship to be eligible to apply.

Responsibilities:

- Work with leader to create manual test cases in Zephyr.
- Execute automated test suite and report on results.
- Leverage analytic skills to investigate and document bugs.
- Explore and apply prompt engineering techniques to improve the accuracy and efficiency of testing
- Contribute to creating clear, data-driven reports on testing outcomes and automation progress, providing actionable insights to support leadership decision-making.

Requirements:

- Currently enrolled in a relevant post-secondary education program
- Proficient in JavaScript, SQL & Python
- Proficient in HTML a plus
- Interest and passion for a career in technology
- Demonstrated leadership skills
- Creativity and innovation
- Ability to work well in a team environment and independently

- Analytical and problem-solving skills
- Effective organizational and multi-tasking skills
- Strong written and verbal communication skills
- Proficient in Microsoft Office (Word, Excel, PowerPoint)
- Related previous work experience is an asset

To apply, please include a resume and transcripts (full unofficial version) by February 8, 2026 at 11:59 pm EST.

The expected annual base salary range (prorated for the term) for this role is (44,000 - 47,000), which is determined based on year of study, IGM program, geographic location and candidate's skills, knowledge and experience. In addition to base salary, this role is eligible for paid time off.

IGM is a diverse workplace committed to doing business inclusively - this starts with having a representative workforce! We encourage applications from all qualified candidates that represent the diversity present across Canada – including racialized persons, women, Indigenous persons, persons with disabilities, 2SLGBTQIA+ community, gender diverse and neurodiverse individuals, as well as all who may contribute to the further diversification of ideas.

IG is an accessible employer committed to providing a barrier-free recruitment experience. If you require an accommodation or this information in an alternate format at any stage of the recruitment process, please reach out to the Talent Acquisition team who will work with you to meet your needs.

We thank all applicants for their interest in IG Wealth Management; however, only those candidates selected for an interview will be contacted.
